## WORK EXPERIENCE

### PROJECT DESIGNER | VISBEEN ARCHITECTS, INC. | JUNE 2021 - PRESENT

- Researched zoning information & developed accurate site plans/models based on restrictions
- Utilized hand sketched residential project concepts from senior designers to create detailed, digital 3D models & 2D drawings in ArchiCAD
- Implemented structural & material notes into residential project construction documents
- Recorded measurements of existing conditions for residential renovation projects
- Developed an accessory dwelling unit concept for on-line publication & sales

### INSTRUCTIONAL AIDE | TAUBMAN COLLEGE ARCPREP PROGRAM | WINTER - SPRING 2021

- Explained design assignments & objectives to high school students through examples & tutorials
- Engaged in conversational critiques of student work to develop their projects
- Led small group discussions about course lectures, activities, & concepts
- Provided technological support for Rhino & Adobe Photoshop based on specific project needs

### ARCHITECTURAL INTERN | GMB ARCHITECTURE + ENGINEERING | SUMMER 2020

- Updated a Sketchup model with equipment & furnishings for a school pastry program renovation
- Designed classroom layouts for an early childhood center extension in Revit
- Designed bathroom & locker arrangement proposals for classroom service bars
- Detailed acoustic panels for a high school music suite interior elevations in Revit
- Attended site visits to measure & document dimensions for a school renovation field report

### LOGISTICS COORDINATOR | TAUBMAN COLLEGE PATHWAYS PROGRAM | FALL 2018 - WINTER 2020

- Developed a schedule of events & activities with a team of coordinators
- Booked flight & hotel reservations to accommodate program participants
- Made restaurant reservations & ordered catering services for events
- Communicated with participants regarding their travel & housing arrangements

### PROJECT INTERN | VISBEEN ARCHITECTS, INC. | WINTER 2018 - SUMMER 2019

- Organized & updated an EXCEL spreadsheet containing the residential projects data
- Used ArchiCAD to prepare drawings for design award competitions & on-line publication
- Prepared photograph selections for design award competitions & HOUZZ promotion

### GALLERY ASSISTANT | CALVIN COLLEGE CENTER ART GALLERY | FALL 2015 - SPRING 2018

- Greeted & provided information for visitors
- Helped set up & take down exhibitions (wall repairs, art condition reports, lighting, signage)
- Created a drawing & led docent tours for the Center Art Gallery's *Stirring the World: German Printmaking in the Age of Luther* exhibition

### CAMP CURIOUS INSTRUCTOR | GRAND RAPIDS PUBLIC MUSEUM | SUMMERS 2014 - 2017

- Made lesson plans, organized activities, & created decorations for themed camps
- Led children of varying ages through lessons & activities
- Communicated information concerning camp activities with parents
